**Statement from the Family of**  
**Sgt. 1<sup>st</sup> Class Lawrence E. Morrison**

---

The Morrison family is sincerely touched by the concern and interest all have taken in Larry's life, his career and his sacrifice for our country. Larry was proud of the career he built in the Army. When called up for duty, he went willingly and proudly. He never passed a flag without saluting and he was a shining example of the commitment to his country. You can take the man out of the Army, but you can't take the Army out of the man.

We would like to thank friends and his fellow Soldiers in the Special Operations Community for their sincere expressions of sympathy during this very difficult time. Your support is appreciated as we mourn the loss of Larry who was a loving husband, a devoted father, a caring son and a selfless Soldier.

We are sincerely touched by your concern and interest in Larry's life, Please remember the sacrifice made by Larry and many others and keep his family and friends close in your heart and prayers.
